Gulshan Leather PRODUCTS

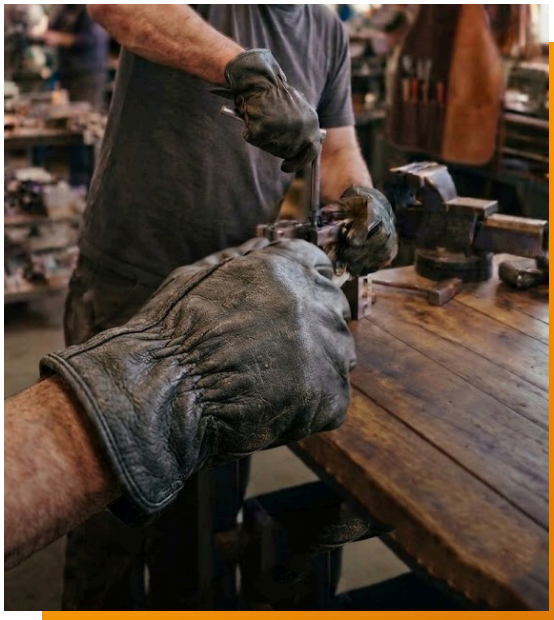

WHO WE ARE

A TRUSTED NAME IN LEATHER SINCE 1998

Established in 1998, **Gulshan Leather Products (GLP)** is a tanner, a manufacturer and an exporter — a trusted name in the leather industry.

What began as specialized expertise in crafting premium leather skins has now grown into a major manufacturing operation producing **0.75 million square feet** of finished leather every month.

This massive production capacity enables us to manufacture leather gloves and other accessories that deliver unmatched quality, consistency and reliability to our partners worldwide.
